They are at home, and any one who has doubts can juice of the person who have been cured by it. DR. KEYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICINES. ATTEND TO YOUR COLDS -A case of five years sanding cured by DR. KEYSER'S PECTORAL SYRUP.

Previnceon, Jan. 11, 1860.

Dr. Exysta:—My wife has been afflicted with a bad oough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I produred some of your Pectoral Cough Syrup. I bought, the first time, a dity cent bottle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire astisfaction with the medicine, and you are at liberty to publish this if you dealer to do so.

Alderman Fifth Ward. DR. KEYSER:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribable to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hoarseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

vere cold.

I have been, more or less, in my life, affected with the severest of colds and hourseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me entirely.

In recommending this medicine, I must unbesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,
EDWARD J. JONES,
Cashier Citizens' Deposit Bank.

COL. PRATT AND DE KEYSER'S PECTORAL BYRUP.—DR. KEYSER—Dear Sir. Excuse the delay of my acknowledging the excellence of your Fectoral Cough Syrup sooner. I take great pleasure in saying that it is all you say it is. Menocked the noise out of my cough and the worst one I was ever afflicted with: I have not used more than excellent of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such aw attack for any consideration, or at any cest. I am confident I can breathe more freely than I ever did. I shall always acknowledge a debt of graitfude for inventing acceptant a remedy. You'are at liberty to use my name in this regard, as you think proper. E. F. PRATT.

Almost everybody around us has the cold and are inspiring for "Dr. Keyser's Pectoral Syrup." We have sold sixteen bottles last week, and are now entirely out. Mr. A. Alter and Mr. P. "STOP THAT/COUGHING."—'How can I do it?" "Go to Keysor's on Wood street and got a bottle of his Cough Pectoral, and if that don't curs you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the adviser's admonition as above, for we have tried the "Pectoral." in a most stubborn case, with entire success. Near two weeks ago we went to Pittaburgh, with one of the most distressing, contrary, mulish, unsubdaable coughs we ever experienced since our adventupon this mundance sphere. We coughed steadily and laboriously for one whole week, in hopes of the first of the simpoved by practices, and to have acquired strength, potency and distressibility by the operation. In this stage of the siege, we coughed our way to Keyser's, 140 Wood St.—procured a fifty can bottle of the "Pectoral;" took it according to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary & Keyser's famous "Cough Pectoral."—Drotoneville Clipper, Dec. 14, 1850.

Battle Creek, Mich., Doc. Sist, 1858.

Prof. Wood: Thee wilt please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, at tended with an eraption on the head. A continual course of auffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caps, neither have I been able to do there up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative, about the first of August hat. I have faithfully followed the directions, and the bald spot is now covered with hair thick and black, though short, it is also coming in all ever my head. Fealing confident intat another large bottle would restore it entirely and permanently. I feel anxious to perseverve in its use, and being destitute of means to perchae any more, I would sak these if thee wouldst not be willing to send me an order on thine agents for a bottle, and receive to thyself, the soripture declaration—"the reward is to those that are kind to the widow and the fatherless."
